Dear Friends of Plymouth Community Ambulance Association,

Your donation to support our Emergency Medical Services will mean that you, your loved ones, and your neighbors will have top-of-the-line equipment and highly-trained ambulance crews ready to respond to whatever emergency you may be experiencing, 24 hours a day, 7 days a week, and 365 days of the year.

In 2016 we responded to more than 14,000 emergency calls from the residents of the communities that we proudly serve.

These areas include:

**Plymouth Township
Norristown Municipality
Lower Frederick Township**

**East Norriton Township
West Norriton Township
Schwenksville Borough**

Areas of Worcester, Perkiomen, Upper Salford, Upper Frederick and Limerick Townships.

With growing call volume every year in these areas, the number of miles we put on our ambulances is increasing greatly and the strain placed on our medical equipment is significant. Much like your standard home appliances or electronics, too much strain on our equipment will eventually require an economically-sound replacement plan, instead of continuously pouring money into upkeep.

We are constantly researching and purchasing the best equipment to serve your community. Your donations to our non-profit ambulance service are tax-deductible, and help us serve you, your family, all of your loved ones, and will go toward the purchase of vital emergency life-saving equipment.

We thank you for your consideration in generously supporting Plymouth Community Ambulance Association.

Sincerely,

Thomas Trojansky
Chief of Operations
